- ❖ **Dr. Vidya Prabhudessai**, was awarded Utkrusht Granthpuraskar of 2012, by Gomantak Marathi Bhasha Parishad for the book Gomantakiy Marathi Kadambari.
- ❖ **Dr. Kamaladevi R. Kunkolienke** was awarded "Sahitya and BhashaSevaPuraskar 2014" by "Goa Konkani Academy" for book written in Konkani language (Academic Research Work) titled "SamsarikTattvagijnana : ItihasaniValakh".

Research Awards

- ❖ **Dr. Harsha P.Uskaikar**
 - Research Award for the Chemistry College Teacher based on the paper published in high impact factor journal, Analytical letters. Vol.45,Issue 12,pg.1645-1657 awarded by Chemistry Department Faculty and Alumni Association, Goa University Goa for year 2013.
- ❖ **Dr. Rupali Bhadari**,
 - Dept. of Botany Awarded young scientist fellowship with research project under DST fast track scheme entitled: Role of UV-B absorbing mycosporine like amino acids (MAAs), scytonemin and phenolic compounds (flavonoids) due to UV-B exposure in cyanobacteria with reference to over expression and function. 2007.

Recognition received by the faculty from reputed Professional bodies and Agencies

❖ Dr. V. J. Pissurlekar

- Third Prize for the Best paper presentation –Synthesis and magnetic properties of ultrafine Mn - Zn ferrite materials obtained by photocatalytic decomposition of precursor||, at National Seminar on Advanced Materials-2010, Department of Physics, Shivaji University , Kolhapur, 19 – 20 March 2010.

❖ Dr. Sunita Borkar:

- Poster on production of pigments by hydrocarbonoclastic microorganisms, was awarded the best poster at the National Seminar on: Recent Advances in the discovery and use of Bioactive Molecules organized by school of BioSciences, St. Xavier College, Mapusa, 7th and 8th March 2008.
- Authored a paper entitled –Potentials of Alkaliphiles from Coastal Ecosystems of Goa as Plant Growth Promoting Bacteria|| which was selected as best paper at National Conference on plant sciences organized by Department of Botany, Chowgule College from 7th to 8th February 2013.

❖ Dr. R.G.Shetkar

- First prize for Best Paper presentation award at the International symposium on material chemistry at BARC Mumbai 4-8 Dec 2006 for the paper Preparation, characterization and catalytic CO oxidation studies over Sr, Nd & Sm Manganites.
